

# Endliche Steuerung

The diagram illustrates a finite control system. At the top, a blue-outlined box contains the text 'Endliche Steuerung'. Below this box are three horizontal input tapes. The first tape is labeled 'Eingabe' and is empty. The second tape is labeled 'Zufallsband' and contains a sequence of bits: 0, 1, 1, 1, 0, 1, 0, 1, followed by an ellipsis. The third tape is labeled 'Hilfsbänder' and is empty. Two blue lines originate from the bottom of the 'Endliche Steuerung' box. One line connects to the 'Eingabe' tape, and the other connects to the 'Zufallsband' tape. A third blue line extends from the right side of the 'Zufallsband' tape towards the 'Hilfsbänder' tape.

Eingabe

Zufallsband

0	1	1	1	0	1	0	1	...
---	---	---	---	---	---	---	---	-----

Hilfsbänder
